I hereby certify that the use of this system is for OFFICIAL correspondence between patent applicants or their representatives and the USPTO. Fraudulent or other use besides the filing of official correspondence by authorized parties is strictly prohibited, and subject to a fine and/or imprisonment under applicable law.

I, the undersigned, certify that I have viewed a display of document(s) being electronically submitted to the United States Patent and Trademark Office, using either the USPTO provided style sheet or software, and that this is the document(s) I intend for initiation or further prosecution of a patent application noted in the submission. This document(s) will become part of the official electronic record at the USPTO.

Remarks

Note: Remarks are not for responding to an office action.

The Applicants are aware of various products offered by a variety of vendors which may be material to the examination of the above-identified patent application. Such products include, for example, the IDS5K E beam Prober to F330 Tester from Sun Microsystems, the IDS3K - S9K Tester from TSMC (of Taiwan), the IDS5K - J971 Tester from Motorola, and all IDS P2X systems docked to F330, S9K, or J971 from Motorola and/or Sun Microsystems.
